# President's Note

Hello lovely Key Club! This month has been a great one with how we have gained 2 new officers to help out, done service with mobile loaves and fishes and had a successful fundraiser selling pecans! Our dues were also paid on time, yay!

I hope everyone enjoyed their thanksgiving break and let's hope to have fun in these next months this year!

# Parent Event

By Elliott

On November 6th, me and Vice President Abygail Diaz helped volunteer with others at the school to watch over children while parents were busy. The parents had come to a meeting where they learned how to cook and ways to tackle the stresses of life while we looked over their children. It was a great opportunity to learn that life skill of caring for children. We also got to enjoy some of the food the parents made at the end, which was a bonus!

# Community First Village

## By Abygail

On November 15th, our Key Club went to Community First! Village. Eight people in total participated in this event. We helped out in the genesis garden with some other volunteers. Our group split into two groups: one helping breaking down cardboard and the other wheelbarrowing mulch! Halfway through the

service the groups switched roles so that everyone could get an opportunity to experience everything. Overall, it was a great experience and at the end Community First Village gave us a tour of their beautiful community! 5
