# President's Note

Hello everybody! This month has been a great one for the club! We had a nice public meeting where everyone got to cut out snowflakes, and we hung them up at the end! We had an officer meeting as well to discuss and plan future events you will get to see. We also had 2 very successful services to the Ronald McDonald House of Charities, an organization that provides families a place to stay while a loved one is in the hospital. Our members and officers put together sandwiches to feed these families, and we got the ingredients to make them from previous fundraisers like our snack sales. You will get to see some amazing things coming up next month as well, like a canned food drive we have planned, so stay tuned!

# Ronald McDonald

## *By Yuange*

On December 12<sup>th</sup> and 18<sup>th</sup>, our Key Club went to Ronald McDonald House. As a charity, Ronald McDonald House focuses on providing support, like offering shelters, play areas and food, for the families whose children are undergoing serious medical treatment.

During the service event, we made sandwiches for the parents who were staying overnight at the House. Overall, it was a wonderful experience. We were impressed by how meaningful things done by the House were. Our cooking skills were also improved.
